Time Commitment: 2 Year Commitment

Travel Required: none planned at this time

Description: The Education committee shall advise on the broad education curriculum of IPSS and participate in development and evaluation of all educational courses, conferences and educational materials. The education committee has several sub-committees including, but not limited to: Webinars, Spring Symposium, MasterMind Series and the IPSS Blog.

Level of Effort (in 12 months):

- 1-12 hours
- 13-49 hours – *The committee typically meets monthly (though not every month), for an hour or less. Members are encouraged to participate in one of the above-mentioned sub-committees if they are able. Time commitment varies.*
- 50-99 hours

Additional Information or Requirements: *Enthusiasm to contribute to IPSS as more than just a member.*

Number of openings anticipated: The Education Committee is not limited in number however members will be asked to reconfirm their commitment every two years. Active members will be engaged and activated to lead sub-committees and working groups.
