Time Commitment: 2 Year Commitment

Travel Required: none planned at this time

Description: The **International Development & Advocacy Committee (IDAC)** committee shall facilitate international relationships maintaining the association's global audience and participation. A member appointed by the Co-Chairs will serve as a liaison to any task force, committee or project as deemed necessary.

Level of Effort (in 12 months):

1-12 hours

13-49 hours – The effort will require around 1-2 hours per month, promoting IPSS to the international community by recruiting members, advertising for IPSS in the local community and collaborating with other committees (membership, Website, etc...) to make IPSS more visible to the International community.

50-99 hours

Additional Information or Requirements: *The committee does not seek any specific skills for ideal candidate. We hope to be joined by as many international members as possible*

Number of openings anticipated: The IDAC Committee requires 10 members preferably from different countries. All members will be actively engaged in the work of the committee described above. They will be asked to reconfirm their commitment every 2 years.
