

IPSSW 2022 - June 10 - 13th St. Petersburg, Florida | The Vinoy Renaissance St. Petersburg Resort & Golf Club

Friday - June 10			
INSPIRE Meeting			
Registration Open			
Opening Welcome Session + Keynote Session with Swati Mohan, PhD			
Break			
Poster Presentations (Concurrent Sessions)			
Curriculum Development	Resuscitation	Safety	Virtual Simulation
<p>New To The UK - International Medical Graduate (IMG) Simulation Day for Paediatric Trainees</p> <p>Presenters:</p> <p>Chukwudumei Mbeledogu, MD - Royal Wolverhampton NHS Trust, United Kingdom</p> <p>Annabel Copeman, FRCPCH - Royal Wolverhampton NHS Trust, United Kingdom</p>	<p>A Multidisciplinary Neonatal Resuscitation Curriculum</p> <p>Presenters:</p> <p>Cara Carr, MD - Rainbow Babies & Children's Hospital, University Hospitals, United States</p> <p>Kelly Roush, DO - Rainbow Babies & Children's Hospital/University Hospitals, United States</p> <p>Monika Bhola, MD - University Hospitals/Rainbow Babies and Children's Hospital, United States</p> <p>Ana Duarte-Ribeiro, MD - Rainbow Babies & Children's Hospital/University Hospitals, United States</p>	<p>Multi-Disciplinary Table Top Simulation Exercise for Evacuating the Neonatal/Infant Intensive Care Unit</p> <p>Presenters:</p> <p>Patricia Hunt-Kada, MSN, RNC-NIC - The Children's Hospital of Philadelphia, United States</p> <p>Marjorie Hamburger, RN, PHRN, CHSE, CPHQ - The Children's Hospital of Philadelphia, United States</p> <p>Matthew Butler, MS, EMT-P, CHEP, MEP - The Children's Hospital of Philadelphia, United States</p> <p>Anne Ades, MD, MSEd - The Children's Hospital of Philadelphia, United States</p> <p>Patrick Rodia, BS - The Children's Hospital of Philadelphia, United States</p> <p>Keith Widmeier, BA, FP-C, CHSE - The Children's Hospital of Philadelphia, United States</p> <p>Brian Kovacs, MS - The Children's Hospital of Philadelphia, United States</p>	<p>Does Mode Of Student Participation Matter? Hybrid Tele-Simulation For Pediatric Emergency Training</p> <p>Presenters:</p> <p>Mizue Kishida, M.D. - Children's Hospital of Philadelphia, United States</p> <p>Tatsuya Kubo, MD - Kanazawa University, Japan</p> <p>Mizue Kishida, MD - Children's Hospital of Philadelphia, United States</p> <p>Kunio Ohta, MD PhD - Kanazawa University, Japan</p> <p>Akira Nishisaki, MD MSCE - Children's Hospital of Philadelphia, United States</p>
<p>Tracheostomy Emergencies: A Simulation-Based Approach to Improve Trainee Confidence and Performance</p> <p>Presenters:</p> <p>Erin White, MD - University Hospitals Rainbow Babies and Children's Hospital, United States</p> <p>Adrienne Kirby, MD - University Hospitals Rainbow Babies and Children's Hospital, United States</p> <p>Ingrid Anderson, MD - University Hospitals Rainbow Babies & Children, United States</p>	<p>Neonatal Emergency Readiness Project (NERP): Virtual Simulation Training to Improve ED Neonatal Resuscitations</p> <p>Presenters:</p> <p>Jabeyn Fayyaz, MD, DCH, MCPS, FCPS, MHPE, PhD(c) in Simulation - The Hospital for Sick Children, Canada</p> <p>Hadas Katz-Dana, MD - SickKids Hospital, Canada</p> <p>Grace Bravo, MD - SickKids, United States</p> <p>Jonathan Pirie, MD, MEd, FRCP, FAAP - SickKids, United States</p> <p>Hilary Whyte, MB, FRCP, FRCP, MSc - SickKids, United States</p> <p>Catharine M Walsh, SickKids - United States</p> <p>Dana Singer Harel, MD - SickKids, Canada</p>	<p>Embracing a Systems Based Approach to Simulation- The Experience of a Tertiary Paediatric Hospital</p> <p>Presenters:</p> <p>Emma Broughton, BN, PGCE, FHEA - Great Ormond Street Hospital GOSH Learning Academy, United Kingdom</p> <p>Alasdair Ross, PGCE, Clinical Education - Great Ormond Street Hospital, GOSH Learning Academy, United Kingdom</p> <p>Linda Chigaru, n/a - Great Ormond Street Hospital GOSH Learning Academy, United Kingdom</p> <p>Pratheeban Nambiyah, n/a - Great Ormond Street Hospital GOSH Learning Academy, United Kingdom</p>	<p>Assessing The Immersiveness And Acceptability Of A Paediatric Virtual Reality Simulation Course</p> <p>Presenters:</p> <p>Laura Crosby, BMBCh MRCPCH PGCert (education) - University Hospitals Bristol and Western NHS Foundation Trust, United Kingdom</p> <p>James Hambidge, MBChB, MRCPCH, PGCert - Gloucester Royal Hospital, United Kingdom</p> <p>Laura Crosby, BA BMBCh MRCPCH PGCert - University Hospitals Bristol and Western NHS Foundation Trust, United Kingdom</p> <p>Nicholas Clarke, MBBS BSc - University Hospitals Bristol and Western NHS Foundation Trust, United Kingdom</p> <p>Samuel Janoff, MBChB BMedSci MRCPCH PGCert - Royal Devon and Exeter NHS Trust, United Kingdom</p> <p>Emily Suckling, n/a - University Hospitals Bristol and Western NHS Foundation</p>
<p>Debriefing Differently: Exploring the Road Less Travelled</p> <p>Presenters:</p> <p>Sharon Mascarenhas, MSN, CHSE-A - Mohammed Bin Rashid University of Medicine and Health Sciences, United Arab Emirates</p> <p>Meghana Sudhir, MSN, MBA, CHSE-A - Mohammed Bin Rashid University of Medicine and Health Sciences, United Arab Emirates</p>	<p>Rapid Cycle Deliberate Practice, A Novel Way to Incorporate Multiple Learners into Neonatal Resuscitation Training</p> <p>Presenters:</p> <p>Doug Campbell, MSC, MD, FRCP - St. Michael's Hospital, Unity Health Toronto, University of Toronto, Canada</p> <p>Paula Iantomas, BSc, RRT - St. Michael's Hospital, Unity Health Toronto, United States</p> <p>Zelko Sue, Bsc - St. Michael's Hospital, Unity Health Toronto, United States</p> <p>Nazanin Khodadoust, BScN - St. Michael's Hospital, Unity Health Toronto, United States</p>	<p>PEAK-II: Multi-Site Simulations of Acute Respiratory Decompensation to Identify Latent Safety Threats</p> <p>Presenters:</p> <p>Timothy Pian, MD - Nationwide Children's Hospital, United States</p> <p>Tensing Maa, MD - Nationwide Children's Hospital, United States</p> <p>Ellen Deutsch, MD - Children's Hospital of Philadelphia, United States</p> <p>Mizue Kishida, MD - Children's Hospital of Philadelphia, United States</p> <p>Sangmo Je, MD, PhD - Children's Hospital of Philadelphia, United States</p> <p>Regine Fortunov, MD - Texas Children's Hospital, United States</p> <p>Ilana Harawayne-Gidansky, MD - Stony Brook Children's Hospital, United States</p> <p>Akira Nishisaki, MD MSCE - Children's Hospital of Philadelphia, United States</p>	<p>A Virtual Reality ECMO Simulation Curriculum</p> <p>Presenters:</p> <p>Lara Srouji, MD - WVU Medicine Children's Hospital, United States</p> <p>Kristina Smith, MS, PA-C - WVU Medicine Children's Hospital, United States</p> <p>Jamie Stebler, MBA, CCP, LP - WVU Medicine Heart and Vascular Institute, United States</p> <p>Adam Hoffman, NR-P, MCCP, CHSE - WV Simulation Training and Education for Patient Safety, WVU, United States</p> <p>Francis Casey, MD - WVU Medicine Children's Hospital, United States</p> <p>Tensing Maa, MD - Nationwide Children's Hospital, United States</p>
<p>Senior Sims at Sundown: Implementing and Evaluating a Senior Resident Led Nighttime Simulation Curriculum</p> <p>Presenters:</p> <p>Amanda Rogers, MD - Medical College of WI, United States</p> <p>Svetlana Melamed, MD - Medical College of WI, United States</p> <p>Abigail Schuh, MD - Medical College of WI, United States</p>	<p>Using Low-Fidelity Simulation to Improve Neonatal Resuscitation at Community Hospital Nurseries</p> <p>Presenters:</p> <p>Melanie stempowski, MD - University Hospitals/Rainbow Babies and Children's Hospitals, USA</p> <p>Ganga Srinivas, MBBS - University Hospitals/Rainbow Babies and Children's Hospital, USA</p> <p>Michael Chaka, MD - University Hospitals/Rainbow Babies and Children's Hospital, USA</p> <p>Julia Liebner, MD - University Hospitals/Rainbow Babies and Children's Hospital, USA</p> <p>Deanne Wilson-Costello, MD - University Hospitals/Rainbow Babies and Children's Hospital, USA</p> <p>Monika Bhola, MD - University Hospitals/Rainbow Babies and Children's Hospital, USA</p> <p>Amy Sondles, MN, RN - University Hospitals/Rainbow Babies and Children's Hospital, USA</p>	<p>Safety first! Using Interdisciplinary in Situ Simulation to Implement a Pediatric Procedural Sedation Protocol</p> <p>Presenters:</p> <p>Laila Pinto Coelho, n/a - Montreal Children's Hospital, McGill University, Canada</p> <p>Mylene Dandavino, Associate Professor (Pediatrics) - Montreal Children's Hospital, McGill University, Canada</p> <p>Catherine Rich, MD, FRCP - Montreal Children's Hospital, McGill University, Canada</p> <p>Nadine Korah, Attending Physician, Division of General Pediatrics, Assistant Program Head of the Medical Inpatient - Montreal Children's Hospital McGill University, United States</p>	<p>How to Incorporate Safe Socio-Emotional Principles for Learning Within Virtual Gaming Simulation</p> <p>Presenters:</p> <p>Sarah Patterson, MSc - McMaster University, Canada</p> <p>Sunny Hollowell, PhD, NP - Villanova University, United States</p>
<p>Development of OSCE in improvement of nurses performance recruited to Pediatric Intensive Care Unit in Guatemala</p> <p>Presenters:</p> <p>Luis Moya-Barquin, Universidad de San Carlos de Guatemala / Hospital General San Juan de Dios</p> <p>Robert Sierra-Morales, Hospital General San Juan de Dios / Universidad de San Carlos de Guatemala</p> <p>Sofia González-Fumagalli, Hospital General San Juan de Dios / Universidad de San Carlos de Guatemala</p> <p>Paola Paz-Mendez, Universidad De San Carlos De Guatemala / Hospital General San Juan De Dios</p> <p>Jose Lopez-Martinez, Hospital General San Juan de Dios / Universidad de San Carlos de Guatemala</p>	<p>Does Simulation Training Improve the Involvement of Health Professionals During Pediatric Cardiac Arrest?</p> <p>Presenters:</p> <p>Alexandra Fernando Sardou - CHU Sainte Justine, Canada</p> <p>Géraldine Pettersen, n/a - CHU Sainte Justine, Canada</p> <p>Arielle Levy, n/a - CHU Sainte Justine, Canada</p> <p>Ahmed Moussa, n/a - CHU Sainte Justine, Canada</p> <p>Guyline Neveu, n/a - CHU Sainte Justine, Canada</p>	<p>GNSH Focused Team Engagements</p> <p>Presenters:</p> <p>Rosalyn Manuel, MSN, BSN, CPN - Children's National Hospital, United States</p> <p>Simmy King, DNP, MS, MBA, RN-BC, NE-BC, CHSE - Children's National Hospital, United States</p> <p>Pavan Zaveri, MD, MEd, FAAP, CHSE-A - Children's National Hospital, United States</p> <p>Heather Walsh, MSN RN PCNS-BC CHSE CPN - Children's National Hospital, United States</p> <p>Kristi Myers, MSN, RN, CPN - Children's National Hospital, United States</p> <p>Claire Maggiotto, MD - Children's National Hospital, United States</p> <p>Tara Neary, MD - Children's National Hospital, United States</p> <p>Nina Brown, MS, RNC-OB - Children's National Hospital, United States</p> <p>Laura Nicholson, MSN, RN, CPN, CHSE - Children's National, United States</p> <p>Aisha Barber, MD, M. Ed, FAAP - Children's National Hospital, United States</p> <p>Jeremy Kern, MD, FAAP - Children's National Hospital, United States</p>	
<p>16:30 - 17:30</p>	IPSS Business Meeting		
<p>17:30 - 18:30</p>	Happy Hour / Welcome Reception		

Saturday - June 11				
7:00 - 18:00	Registration			
7:00 - 8:00	Committee Meetings + Light Breakfast Served			
8:00 - 8:15	IPSS Welcome			
8:15 - 9:15	Keynote Session with Sasha Muller-Botti, MD			
09:15 - 9:45	Refreshment & Connection Break			
9:45 - 11:15	IPSS EC and INSPIRE			
9:45 - 11:15	Workshops (Concurrent Sessions)			
	<p>Towards Equitable Care: Using Simulation to Mitigate Bias Presenters: Brittany Dahlen, MSN, RN, NPD-BC, CPN - Children's Minnesota, United States Samreen Vora, MD, MHAM, FACP - Children's Minnesota, United States Rachael McGraw, MSN, RN - St. Catherine University, United States Monisha Husom, MSN, APRN, NNP-BC - Children's Minnesota, United States Mona Rippy, n/a - Children's Minnesota, United States Clare Dudzinski, LCSW - Children's Minnesota, United States Shanna McCann, n/a - Children's Minnesota, United States Siman Nuurali, n/a - Children's Minnesota, United States Meghan Simpson, BA, EMT, DOT-I - Children's Minnesota, United States</p>	<p>Grant Writing Basics: How to Write a Winning Research Proposal Presenters: Travis Whitfill, MPH MPhil - Yale University School of Medicine, United States Isabel Gross, MD PhD MPH - Yale University School of Medicine, United States Aron Calhoun, MD - University of Louisville School of Medicine, United States Vinay Nadkarni, MD MS - Children's Hospital of Philadelphia, United States Akira Nishisaki, MD MSCE - Children's Hospital of Philadelphia, United States Kim Stone, MD - Seattle Children's Hospital, United States David Kessler, MD MSc - Columbia University Medical Center, United States</p>	<p>Using the Healthcare Simulation Standards of Best Practice™: What's Easy? What's Hard? Presenters: Mindi Anderson, PhD, APRN, CPNP-PC, CNE, CHSE-A, ANEF, FAAN - University of Central Florida, United States</p>	<p>Simulation to Assess for Collective Competence Presenters: Briseida Mema, MD, MHPE - Hospital for Sick Children, Canada Anne Kawamura, MD, MHPE - University of Toronto, Canada Dominique Piquette, MD, PhD - University of Toronto, Canada</p>
11:30 - 12:30	Lunch with Exhibitors (Off Site)			
13:30 - 14:45	Oral Presentations (Concurrent Sessions)			
	<p>Curriculum Development</p> <p>Rapid Transformation from Face to Face to Virtual Simulation During the SARS-CoV2 Pandemic: Impact on Simulation Presenters: Sharon Mascarenhas, MSN, CHSE-A - Mohammed Bin Rashid University of Medicine and Health Sciences, United Arab Emirates Meghana Sudhir, MSN, MBA, CHSE-A - Mohammed Bin Rashid University of Medicine and Health Sciences, United Arab Emirates Hanan Sulaiman Al Suwaidi, MD - Mohammed Bin Rashid University of Medicine and Health Sciences, United Arab Emirates Jalal A.Z Alfroukh, CHSOS - Mohammed Bin Rashid University of Medicine and Health Sciences, United Arab Emirates Nabil Zary, PhD - Mohammed Bin Rashid University of Medicine and Health Sciences, United Arab Emirates</p>	<p>Communication</p> <p>Promoting Cultural Sensitivity Using Simulations in Pediatric Emergency Medicine Presenters: Jabeen Fayyaz, Staff Physician - The Hospital for sick children, Canada Margret Jaeger - Austria, Austria Prisca Takundwa - University of Yale, United States Ammarah Iqbal - University of Yale, United States Saima Ali - Indus Hospital and Health Network, Pakistan Sama Mukhtar - Indus Hospital and Health Network, Pakistan Ghazanfar Saleem - Indus Hospital and Health Network, Pakistan Travis Whitfill, MPH MPhil - Yale University School of Medicine, United States Jonathan duff - Alberta, Canada Inayat Ali - Pakistan, Pakistan Isabel Gross, MD PhD MPH - Yale University School of Medicine, United States</p>	<p>Neonatal</p> <p>Less Invasive Surfactant Administration Simulation Workshop Presenters: Mohammad Bayoumi, MBChB, MCh, MRCPCH, MD, FRCPCH - NICU, Women's Wellness and Research Center (WWRC), Hamad Medical Corporation (HMC), Doha, Qatar Elmas Elmalk, MD, MRCPCH, SB - PED, ABHS - PED, FABPN, FRCPCH - NICU, Women's Wellness and Research Center (WWRC), Hamad Medical Corporation (HMC), Doha, Qatar Jihad Alshouli, MD, MCh, MBChS - PED - NICU, Women's Wellness and Research Center (WWRC), Hamad Medical Corporation (HMC), Qatar Venkatesh Sheththall, MD, MRCPCH, FRCPCH - NICU, Women's Wellness and Research Center (WWRC), Hamad Medical Corporation (HMC), Qatar Jojo Furigay, RRT - NICU, Women's Wellness and Research Center (WWRC), Hamad Medical Corporation (HMC), Doha, Qatar</p>	<p>Assessment and Feedback</p> <p>Validity Argument for the Cognitive Load Assessment Scales in Simulation (CLAS-Sim) Extraneous Load Scale Presenters: Sara Greer, M.D. - Washington University in St. Louis School of Medicine, United States Donna Jaffe, PhD - Washington University in St. Louis School of Medicine, United States Justin Sewell, MD, PhD, MPH, FACP - University of California San Francisco, United States Arushi Manga, MD - Washington University in St. Louis School of Medicine, United States Aron Calhoun, MD - University of Louisville School of Medicine, United States Amanda Emke, MD, MHPE - Washington University in St. Louis School of Medicine, United States</p>
	<p>Best Of Both Worlds: A Simulation-Based Junior Trainee Mock Code Curriculum With Complimentary E-Learning Modules Presenters: Sabrina Lue Tam, MD, BHSC, FRCP (Pediatrics) - The Hospital for Sick Children, Canada Jabeen Fayyaz, MD, DCH, MCPS, FCPS, MHPE, PhD(c) in Simulation - The Hospital for Sick Children, Canada</p>	<p>Decreasing Caregiver Anxiety: Caregiver Simulation Program For The Care Of Infants With Complex Cardiac Conditions Presenters: Brittany Dahlen, MSN, RN, NPD-BC, CPN - Children's Minnesota, United States Jocelyn Berbee, APRN, CPNP - Children's Heart Clinic, United States Heidi Shafland, MSN, APRN, ACCNS-P, CCRN-K - Children's Minnesota, United States</p>	<p>Efficacy of Virtual Simulation-Based Neonatal Resuscitation Training in Madagascar Presenter: Aida Abou-Zamzam - Johns Hopkins University School of Medicine, United States Julie McCaw, M.D., M.P.H. - Texas Children's Hospital/Baylor College of Medicine, United States Nicole Shilkofski, M.D., M.Ed. - Johns Hopkins University School of Medicine, United States</p>	<p>Use of Distant SP For Formative Assessment in Pediatrics Presenters: Chinmay Shah - Government Medical College Bhavnagar, India Mehul Gosai, n/a - Government Medical College Bhavnagar, India</p>
	<p>#SimEscape2021-Incorporation of a Complex Medical Case into a Simulated Medical Escape Room Presenters: Alyssa Stoner, DO, MS - Children's Mercy Hospital, United States Rachael Pedigo, BSN, RN - Center for Pediatric Simulation and Resuscitation, Children's Mercy Hospital, United States Robert Schrenmer, MD - Center for Pediatric Simulation and Resuscitation, Children's Mercy Hospital, United States Andrew Ausmus, MD - Children's Mercy Hospital, United States Jenna Miller, MD - Children's Mercy Hospital, United States</p>	<p>After Action Review Debriefing For Simulation: Applications To Pediatric Emergency Medicine Presenters: Denis Oriot, MD, PhD - University of Poitiers, France Matthieu Sauzeau, RN - University Hospital of Poitiers, France Nicolas Marjanovic, MD, PhD - University Hospital of Poitiers, France Laurent Guignard, RN - University Hospital of Poitiers, France Alain Charre, RN - University Hospital of Poitiers, France Paul Contal, MD - University Hospital of Poitiers, France Bertrand Durgeon, MD - University Hospital of Poitiers, France</p>	<p>Neonatal Simulation Program: A 5 Years Educational Journey Presenters: Mohammad Bayoumi, MBChB, MCh, MRCPCH, MD, FRCPCH - NICU, Women's Wellness and Research Center (WWRC), Hamad Medical Corporation (HMC), Doha, Qatar Elmas Elmalk, MD, MRCPCH, SB - PED, ABHS - PED, FABPN, FRCPCH - NICU, Women's Wellness and Research Center (WWRC), Hamad Medical Corporation (HMC), Doha, Qatar Hosameldin Ali Al. Bar, Pharm, MSPH - Pediatric Department, Hamad General Hospital (HGH), Hamad Medical Corporation (HMC), Doha, Qatar Sushila D'Souza, RN, NICU, Women's Wellness and Research Center (WWRC), Hamad Medical Corporation (HMC), Doha, Qatar Jojo Furigay, RRT - NICU, Women's Wellness and Research Center (WWRC), Hamad Medical Corporation (HMC), Doha, Qatar Aron Calhoun, MD, MCh, MBChS - PED - NICU, Women's Wellness and Research Center (WWRC), Hamad Medical Corporation (HMC), Doha, Qatar Saima Ali, MS, MEd, MS - Medical Research Center (MRC), Hamad Medical Corporation (HMC), Doha, Qatar Jihad Alshouli, MD, MCh, MBChS - PED - NICU, Women's Wellness and Research Center (WWRC), Hamad Medical Corporation (HMC), Doha, Qatar Mehdi Van Bey, RN, NNP-BC - NICU, Women's Wellness and Research Center (WWRC), Hamad Medical Corporation (HMC), Doha, Qatar Fouad Alsharrah, MD, ABHS - PED - NICU, Women's Wellness and Research Center (WWRC), Hamad Medical Corporation (HMC), Doha, Qatar Moukalla Elshah, MD, MCh, MRCPCH, FRCPCH, CHSE-A - Pediatric Department, Hamad General Hospital (HGH), Hamad Medical Corporation (HMC), Doha, Qatar Sammah Luthi, MBBS, ABHS - PED - NICU, Women's Wellness and Research Center (WWRC), Hamad Medical Corporation (HMC), Doha, Qatar</p>	<p>Digital Navigator: The Use Of Simulation To Live Test Mental Health Apps For Teenagers Presenters: Asanga Fernando, MRCPsych MA (Clin Ed) - St George's University Hospitals NHS Foundation Trust London, United Kingdom James Woodford, MRCPsych - Ooleas NHS Trust, United Kingdom Hyon Snelgrove, Med Ed - St. George's University Hospitals NHS Foundation Trust, United Kingdom</p>
	<p>Undercover Simulationist: Utilizing Simulation as a Diagnostic Tool to Identify and Implement Educational Needs Presenters: Cheryl Camacho, MBA, CHSE, Paramedic - Nationwide Children's Hospital, United States Mary Coles, MSN, RN, CHSE - Nationwide Children's Hospital, United States Samantha Howorka, MSN, RN, CPON, VA-BC - Nationwide Children's Hospital, United States Tensing Maa, MD - Nationwide Children's Hospital, United States</p>	<p>Benefit of Simulation-Based Training in Communication with Parents Opposed to Vaccinations Presenters: Denis Oriot, MD, PhD - University of Poitiers, France Marine Choquet, MD - University Hospital of Poitiers, France Nicolas Marjanovic, MD, PhD - University Hospital of Poitiers, France Jérémy Guénean, MD, PhD - University Hospital of Poitiers, France Daniel Aiham Ghazali, MD, PhD, Director of Research - University and Hospital of Amiens, France</p>	<p>A Novel Method for Administering Epinephrine During Neonatal Resuscitation Presenters: Hannah Gu, MD - Stanford University, United States Juliana Peri, BS - Stanford University, United States William Rhine, MD - Stanford University, United States Nicole Yamada, MD, MS - Stanford University, United States Magan L. Ringle, MD - Wake Forest School of Medicine, United States Julie Sherman, n/a - Children's National Medical Center, United States Alexandra McMillin, n/a - University of Washington, United States Janene H. Fuerch, MD - Stanford University, United States</p>	<p>Video Laryngoscope Assisted Coaching Skill Retention Presenters: Chisa Tsukuda, MD - The Children's Hospital of Philadelphia, United States Kristen Glass, MD - Penn State Health Milton S. Hershey Medical Center, United States Taylor Sawyer, DO, MBA, MEd - University of Washington School of Medicine and Seattle Children's Hospital, United States Hayley Buffman, MPH - Children's Hospital of Philadelphia, United States Nicole Yamada, MD, MS - Stanford University, United States Catharine Walsh, MD, Med, PhD, FAAP, FRCP - Hospital for Sick Children, SickKids Research Institute, Canada Anne Ades, MD, MEd - The Children's Hospital of Philadelphia, United States Akira Nishisaki, MD MSCE - Children's Hospital of Philadelphia, United States</p>
15:00 - 15:30	Transportation to JH			
15:30 - 15:45	Coffee Break			
15:45 - 16:45	Keynote Sessions with Susie Kardong-Edren, PhD, RN, ANEF, CHSE, FSSH, FAAN			
17:00 - 18:30	Sim Olympics / Exhibitor Experience / Site Tours / Networking			
18:30 - 22:00	IPSSW Offsite Networking Party at John's Hopkins			

Sunday - June 12			
7:00 - 9:00	Exhibitor Set Up		
8:00 - 17:45	Registration		
8:00 - 8:45	Committee Meetings + Light Breakfast Served		
08:45 - 9:00	Morning Announcements		
09:00 - 10:00	Keynote Session with Peter Dieckmann, PhD		
10:00 - 10:30	Exhibition, Refreshment & Connection Break		
10:30 - 12:00	Workshops		
Virtual Reality at Your Fingertips: Creating Your Own Immersive Experiences with 360-degree Video Presenters: Mariju Baluyot, MD - Riley Children's Hospital / Indiana University, United States Janice Shin-Kim, MD - Columbia, United States	Interprofessional Debrief on Racism, Equity, and Microaggressions (I-DREAM) Workshop Presenters: Simranjeet Sran, MD - Children's National Hospital, United States Heather Walsh, MSN RN PCNS-BC CHSE CPN - Children's National Hospital, United States Nina Brown, MS, RNC-OB - Children's National Hospital, United States Brandon Ho, MD - Children's National Hospital, United States Christina Lindgren, MD, Assistant Professor of Pediatrics and Emergency Medicine - Children's National Hospital, United States Rosalyn Manuel, MSN, BSN, CPN, RN - Children's National Hospital, United States Laura Nicholson, MSN, RN, CPN, CHSE - Children's National, United States Dewesh Agrawal, MD, Professor of Pediatrics and Emergency Medicine - Children's National Hospital, United States	Using Actor-Network Theory to Adapt Simulation Curricula to Facilitate Transfer of Learning Presenters: Briseida Mema, MD, MHPE - Hospital for Sick Children, Canada Anne Kawamura, MD, MHPE - University of Toronto, Canada Dominique Piquette, MD, PhD - University of Toronto, Canada	Need A Distraction? Enhancing Overall Fidelity By Adding Simulation Distracts Presenters: Lisa Caplan, MD - Baylor College of Medicine/Texas Children's Hospital, United States Ali Hassanpour, MD - Baylor College of Medicine/Texas Children's Hospital, United States Kenneth Wayman, MD - Baylor College of Medicine/Texas Children's Hospital, United States
12:00 - 13:15	Lunch & Exhibition		
13:15 - 14:30	Oral Presentations		
Difficult Conversations	Resuscitation	Safety	VR/XR/AR
What the Research Reveals: Enhancing Psychosocial Care Through Bereavement Simulation Training Presenters: Emilia Crnjak, MS, CCLS - Boston Children's Hospital, United States Michelle Kerns, MS, CCLS - Boston Children's Hospital, United States Mariah Stevens, MS, CCLS - Boston Children's Hospital, United States Brianna O'Connell, MS, CCLS - Boston Children's Hospital, United States Lauren Mednick, Ph.D. - Boston Children's Hospital, United States Marlena Smith-Millman, MPH - Boston Children's Hospital Simulator Program, United States	Randomized Trial of Educational Strategies to Improve Quality of Pediatric Resident Positive Pressure Ventilation Presenters: Catherine Chang, MD - Weill Cornell Medicine, United States Jeffrey Perlman, MBChB - Weill Cornell Medicine, United States Bridget Grogan, n/a - Weill Cornell Medicine, United States Anjile An, n/a - Population Health Sciences, Weill Cornell Medicine, United States Erika Abramson, MD - Weill Cornell Medicine, United States	Application of the Hazard Assessment and Remediation Tool for Safety Threat Identification and Mitigation Presenters: Catherine Allan - Boston Children's Hospital Simulator Program, United States Lobsang Palmo, BA - Boston Children's Hospital Simulator Program, United States Kara Brown, BS - Boston Children's Hospital Simulator Program, United States Rebecca Williams, BS - Boston Children's Hospital Simulator Program, United States Andrew Miller, MD - Boston Children's Hospital, United States Matthew Eisenberg, MD, MPH - Boston Children's Hospital, United States Denise Downey, MSN, RN-BC, CPEN - Boston Children's Hospital, United States Loren Aiello, RN, BSN - Boston Children's Hospital, United States Maria McMahon, MSN, RN, PNP-PCAC - Boston Children's Hospital, United States David Mooney, MD, MPH - Boston Children's Hospital, United States Catherine Allan, MD - Boston Children's Hospital, United States	Adapting Open-Access Virtual Simulation For Interprofessional Pediatric Emergency Education in Community Eds Presenters: Sabrina Lue Tam, MD - The Hospital for Sick Children, Canada James Leung, BSc, MD, FRCPC (Pediatrics, Pediatric Emergency Medicine) - McMaster University, Canada Jabeen Fayyaz, MD, DCH, MCPS, FCPS, MHPE, PhD(c) in Simulation - The Hospital for Sick Children, Canada Sarah Foohey, MD, CCFP-EM - University of Toronto, Canada Alim Nagji, MD, CCFP-EM, DRCPC - McMaster University, Canada Rafael Velasquez, BCoSc, CCNA - Learning Institute, The Hospital for Sick Children, Canada Alicia Cundall, MD, CCFP-EM, PEM(C) - University Health Network, Canada
Improving Patient Family Experience: Using Simulation to Develop Compassionate Communication Skills Presenters: Shanna McCann, CPXP - Children's Minnesota, United States Danielle Commerford, MBA - Children's Minnesota, United States	Rapid Cycle Deliberate Practice- Implementation Of Team-Training For PALS Presenters: Daniel Lemke, MD - Baylor College of Medicine/ Texas Children's Hospital, United States Crystal Dunaway, MSN, RN-CPN - Texas Children's Hospital, United States Gemma Elegores, MSN, RN - Texas Children's Hospital, United States Gayle Young, MSN, RN - Texas Children's Hospital, United States	Identifying Latent Threats And System Changes In PICU During In-Situ Simulation In A Low Resource Country Presenters: Sri Vidya Lukka, MD PEDIATRICS, IDPCCM (College of pediatric critical care) - KIMS Hospital, India Nanda Kishor Vuppalli, MRCPCH, Fellowship in Pediatric critical care, Fellowship in ECMO - KIMS Hospital, India Manju Bannera, GNM - Kims Hospital, India Geethanjali Ramachandra, MRCP, Fellowship Pediatric Intensive care (Lon) - PedISTARS India, KIMS hospital Secunderabad, India	Integrating 360° Video in Virtual Gaming Simulations - New Insights Presenters: Jabeen Fayyaz, Staff Physician - The Hospital For Sick Children, Canada Paula Mastriili - George Brown University, Canada Wendy Ellis - Georgebrown College, Canada Elizabeth Hanna, Canada Susan A'Court, Canada Kate Parke - George Brown, Canada Emily Louca, The Hospital For Sick Children, Canada Seona Dunbar - The Hospital For Sick Children, Canada Maite Browning - The Hospital For Sick Children, Canada Jabeen Fayyaz, N/A - The Hospital For Sick Children, Canada Rafael Velasquez, BCoSc, CCNA - Learning Institute, The Hospital for Sick Children, Canada Jordan Holmes - Michener Institute, Canada Rooper Chow - Michener Institute, United States
Benefit Of Simulation-Based Training For Adverse Event Disclosure In Pediatric Simulation Presenters: Denis Oriot, MD, PhD - University of Poitiers, France Juliette Aubin, MD - University Hospital of Poitiers, France Nicolas Marjanovic, MD, PhD - University Hospital of Poitiers, France Jérémy Guénézan, MD, PhD - University Hospital of Poitiers, France Daniel Aiham Ghazali, MD, PhD, Director of Research - University and University Hospital of Amiens, France	"Put me in coach": Answering the Call for Quality CPR Coaches Presenters: Katie L. McDermott, MSN, RN, CPNP-AC - Medical College of Wisconsin, United States Kari Rajzer- Wakeham, MSN, RN, CPNP-AC - Medical College of Wisconsin, United States Christine A. Schindler, PhD, CPNP - Medical College of Wisconsin, United States Jennifer Andres, MBA, BSN, RN - Children's Wisconsin, United States	Financial Impact of Simulation-Based Clinical Systems Testing on a Pediatric Trauma Center Presenters: Christopher Snyder, MD, MSPH - Johns Hopkins All Children's Hospital, United States Katie Fitzpatrick, BS - Johns Hopkins All Children's Hospital, United States Jennifer Arnold, MD - Johns Hopkins All Children's Hospital, United States	Virtual Reality vs Face-to-Face Simulation in NICU: An Acceptability Study In The Context Of COVID-19 Presenters: Jennifer Peterson, MBChB - St. Mary's, Manchester, United Kingdom Ruth Gottstien, MBChB - St. Mary's, Manchester, United Kingdom Ranganath Ranganna, MBChB - St. Mary's, Manchester, United Kingdom
SBT In Disclosure Of Bad News Via Video Calls To A Mother In Maternity Ward During Confinement Presenters: Denis Oriot, MD, PhD - University of Poitiers, France Claire Allaire, MD - University Hospital of Poitiers, France Nicolas Marjanovic, MD, PhD - University Hospital of Poitiers, France Jérémy Guénézan, MD, PhD - University Hospital of Poitiers, France Daniel Aiham Ghazali, MD, PhD, Director of Research - University and University Hospital of Amiens, France	Comparison Of Real-Time Feedback To Non-Use Of A Cognitive Aid Regarding The Quality Of Simulated Infant CPR Presenters: Daniel Aiham Ghazali, Director of research - Simulation Center, University of Amiens and University Hospital Center of Amiens, France Raphaëlle ROUSSEAU, MSc - University of Poitiers, France Cyril BRÉQUE, PhD - University of Poitiers, France Denis Oriot, MD, PhD - University of Poitiers, France	Utilization Of Simulation-Based Clinical System Test To Prepare For Implementation Of An ECMO Transport Program Presenters: Nir Atlas, MD - Children's Mercy Hospital, United States Robert Schremmer, MD - Center for Pediatric Simulation and Resuscitation, Children's Mercy Hospital, United States Alyssa Stoner, MS, DO - Children's Mercy Hospital, United States	Is Instructorless Mastery-Based Training Possible In Pediatric Ultrasound-Guided Interventions? Presenters: Yahya Acar, MD - University of Florida and Gulfhane School of Medicine, United States David Lizdas, BSME - University of Florida, United States William Johnson, BS - University of Florida, United States Anthony DeStephens, MSME - University of Florida, United States Nikolaus Gravenstein, MD - University of Florida, United States Samsun Lampotang, Ph.D. - University of Florida, United States
		Saving Newborns from Extravasation Injuries in a Low Resource Country Through Simulation Presenters: Vijayanand Jamalpuri, MD, FRCPC, CCT in Pediatrics, Post Graduate Certificate in Medical Education - PedISTARS (Pediatric Simulation Training and Research Society of India): Rainbow Children's Hospital, Hyderabad, India Bharadwaj Namala, MD, DM - Rainbow Children's Hospital, Hyderabad, India Dinesh Kumar Chirala, MD, DM, FRCPC, CCT in Neonatal Medicine - Rainbow Children's Hospital, Hyderabad, India Jyothi Rani Sikha, M Sc (Nursing) - Rainbow Children's Hospital, India Shivaleela Chintakuntla, GNM - Rainbow Children's Hospital, Hyderabad, India	

Sunday Continued				
14:45 - 15:45				
Poster Presentations				
Communication	Innovation	Neonatal	Curriculum Development	
<p>Inter-Professional Palliative Care Simulation</p> <p>Presenters: Lena Baker, MD - University Hospitals Rainbow Babies & Children, United States Ingrid Anderson, MD - University Hospitals Rainbow Babies & Children, United States</p>	<p>Creating A High-Fidelity Interactive Continuous Renal Replacement Therapy Simulation</p> <p>Presenters: Rachael Pedigo, BSN, RN - Center for Pediatric Simulation and Resuscitation, Children's Mercy Hospital, United States Aiden McLuckie, BFA - Center for Pediatric Simulation and Resuscitation, Children's Mercy Hospital, United States Shauntaja Woods, BHS-RRT - Center for Pediatric Simulation and Resuscitation, Children's Mercy Hospital, United States PJ Strack, BSN, RN - Children's Mercy Hospital, United States Zabrina Fox, BSN, RN - Children's Mercy Hospital, United States Robert Schremmer, MD - Center for Pediatric Simulation and Resuscitation, Children's Mercy Hospital, United States Chris Kennedy, MD - Center for Pediatric Simulation and Resuscitation, Children's Mercy Hospital, United States</p>	<p>COVID-19 Disaster Preparedness Training For Neonatal Care In A Regional Centre: A Tabletop Simulation</p> <p>Presenters: Danica Avery - James Cook University, Australia Gopakumar Hariharan, MBBS MD DCH FRACP Dip Dev Neurology - Mackay Base Hospital, Australia</p>	<p>Efficacy of a Trainee Led Pediatric Critical Care Procedural Curriculum</p> <p>Presenters: Jordan Newman, MD The University of Alabama at Birmingham / Children's of Alabama Sneha Kollu, Emory University School of Medicine / Children's Healthcare of Atlanta at Egleston Anna Rodenbough, Emory University School of Medicine / Children's Healthcare of Atlanta at Egleston</p>	
<p>Using A Novel Prenatal Counseling Simulator VANESSA As An Educational Tool</p> <p>Presenters: Ellie Ficco - University of Washington, United States Megan Gray, MD - University of Washington/Seattle Children's Hospital, United States Michelle Bartlett, MD MS - University of Washington/Seattle Children's Hospital, United States Rachel Umoren, MBChB MS - University of Washington/Seattle Children's Hospital, United States</p>	<p>Pediatric Patients</p> <p>Presenters: David Rodgers, EdD, EMT-P, NRP, FAHA - Indiana University - Bloomington, United States Jenny Rex, RN, MSN - Penn State Health Milton S. Hershey Medical Center, United States Franklin Banfer, Esq., MBA(c), BSN, RN, CEN, PHRN, NRP, CAC, CACO, CAPO - Penn State Health Milton S. Hershey Medical Center, United States Mary Sukumar, MD - Center for Simulation, Education, and Innovation, Hartford Healthcare, United States David Rodgers, EdD, EMT-P, NRP, FAHA - Indiana University - Bloomington, United States</p>	<p>SKILLS retention Following Participation in a Nursing Specific Simulation-based Neonatal Refresher Course</p> <p>Presenters: Dina Elachi, MD - NewYork Presbyterian- Weill Cornell, United States Michaela Berroya, MSN, RNC-NIC - NewYork Presbyterian- Weill Cornell, United States Mary Miller, RN - NewYork Presbyterian- Weill Cornell, United States Katherine Roberts, RNC-OB, MS/MPA, C-EMM - NewYork Presbyterian- Weill Cornell, United States Lauren Raggio, MPA, BSN, RNC-NIC, CBC - NewYork Presbyterian- Weill Cornell, United States Claudette Theuriere, RN - NewYork Presbyterian- Weill Cornell, United States Susan Venturini, NNP - NewYork Presbyterian- Weill Cornell, United States Chadlena Thomas, MS - Weill Cornell, United States</p>	<p>Design and Implementation of a Mastery Learning Curriculum for Neonatal Intubation Using Deliberate Practice</p> <p>Presenters: Arika Gupta, Ann & Robert H. Lurie Children's Hospital/Northwestern University Feinberg School of Medicine Mark Adler Ann & Robert H. Lurie, Children's Hospital/Northwestern University Feinberg School of Medicine Mary McBride, Lurie Children's/Feinberg School of Medicine ShamkiTrivediAnn & Robert H. Lurie, Children's Hospital/Northwestern University Feinberg School of Medicine Shawn Smith Ann & Robert H. Lurie, Children's Hospital/Northwestern University Feinberg School of Medicine</p>	
<p>Developing Psychosocial Simulations: A Suicide Risk Assessment and Management Course for Social Workers</p> <p>Presenters: Matthew Tvedte, LICSW - Boston Children's Hospital, United States Allison Henry, MSW, LICSW - Boston Children's Hospital, United States Amanda Meers, MSW, LICSW - Boston Children's Hospital, United States Matthew Tvedte, MSW, LICSW - Boston Children's Hospital, United States Pamela Chamorro, MSW, LICSW - Boston Children's Hospital, United States Brianna O'Connell, MS, CCLS - Boston Children's Hospital, United States Marlena Smith-Millman, MPH - Boston Children's Hospital Simulator Program, United States Abigail Ross, LICSW, MPH, PhD - Social Work Department Boston Children's Hospital Fordham University Graduate School of Social Service, United States</p>	<p>Pediatric Chest Compression Performance Changes via Novel Augmented-Reality Cardiopulmonary Feedback System</p> <p>Presenters: Brittany-Lee Smith, BS - Johns Hopkins University, United States Keith Kleinman, MD - Johns Hopkins University, United States Emma Billings, BS (Expected Jan 2022) - Johns Hopkins University, United States Therese Canares, MD, MBA - Johns Hopkins University, United States Justin Jeffers, MD, MEHP - Johns Hopkins University, United States</p>	<p>Impact Of A Quick Multidisciplinary Simulation-Based Training On The Intraosseous Access: A Multicentric Study</p> <p>Presenters: Daniel Alham Ghazali, Director of research - Simulation Center, University of Amiens and University Hospital Center of Amiens, France Rania ALKHALIL, MSc - University Hospital of Bichat, France Cyril BREQUE, PhD - University of Poitiers, France Denis Oriot, MD, PhD - University of Poitiers, France</p>	<p>Virtual Course Pediatrics Emergencies Based on Simulation in Argentinian Pediatric Society. Students' Perception</p> <p>Presenters: Daniel Orqueda, MD, Hospital Italiano De Buenos Aires Ana Blanco, Hospital Posadas Buenos Aires M Florencia, Sanchez, Hospital Austral Buenos Aires Lucrecia Arpi, Hospital Garrahan Buenos Aires Adriana Bordogna, Hospital Sor Maria Ludovica La Plata M C Capelli, Hospital Austral Buenos Aires Estanislao Diaz Pumara, Hospital Ricardo Gutierrez Buenos Aires Rocio Fidalgo, Hospital Garrahan Buenos Aires Gladys Palacios, Hospital Ricardo Gutierrez Buenos Aires Carla Prudenicio, Hospital Garrahan Buenos Aires CeciliaRobledo, Hospital Ricardo Gutierrez Buenos Aires Juan C Vassallo, Hospital Garrahan Buenos Aires Carina Yafar, Hospital El Cruce M L Rodriguez, Hospital El Cruce Buenos Aires</p>	
<p>Speaking Up: A Pilot Project Using Simulation Based Education Supporting Communication Skills For Patient Safety</p> <p>Presenters: Robert Catena, MN, RN - Mount Royal University, Canada</p>	<p>Point-Of-Care Ultrasound In The NICU: Using Low-Cost Phantom Models To Teach Umbilical Catheter Position</p> <p>Presenters: Cara Beth Carr, MD - Rainbow Babies & Children's Hospital/University Hospitals, United States Allison Payne, MD - Rainbow Babies & Children's Hospital/University Hospitals, United States Jennifer Nicholas, MD, MHA - Case Western Reserve University School of Medicine, United States Danielle Paulin, DO, MA - Akron Children's Hospital, United States</p>	<p>Neonatal Provider Competency Skills Fair</p> <p>Presenters: Monisha Husom, MSN, APRN, NNP-BC - Children's Minnesota, United States Teri Johnson, APRN, CNP - Children's Minnesota, United States Samrina Naqvi, MBBS (MD), MHA - Children's Minnesota, United States</p>	<p>Real and Imagined Barriers Engaging Pediatric Live Actors in Medical Education Simulations</p> <p>Presenters: Stacy Forbes, Rocky Vista University Christine Meacham, Rocky Vista University Joel Roberts, Rocky Vista University Shelene Thomas, Rocky Vista University David Eckhardt, Rocky Vista University</p>	
<p>Incident Command System Approach to Develop Pediatric Intensive Care Patient Handover Process</p> <p>Presenters: Luis Moya-Barquin, Universidad de San Carlos de Guatemala / Hospital General San Juan de Dios Carmen Castro-Darce, Hospital General San Juan de Dios Claudia De León-Gutierrez, Hospital General San Juan de Dios Sofia González-Fumagalli, Hospital General San Juan de Dios / Universidad de San Carlos de Guatemala Robert Sierra-Morales, Hospital General San Juan de Dios / Universidad de San Carlos de Guatemala</p>		<p>Development of an Algorithm for Delivery Room Ultrasound Diagnosis of Congenital Diaphragmatic Hernia in Twins</p> <p>Presenters: Sean Cullen, MD/PhD, New York Presbyterian- Weill Cornell Ericalyn Kasdorf, MD, Weill Cornell Medicine Sara Cohen, MD Weill Cornell Medicine, United States</p>	<p>Establishing Criteria for the Use of Pictograms in Distance Simulation Reporting Using International Sim Expertise</p> <p>Presenters: Barbara Walsh, Boston Univ School of Medicine Timothy Clapper, Weill Cornell Medicine Isabel Gross, Yale University School of Medicine Mandy Kirkpatrick, Creighton University Maybelle Kou, Virginia School of Medicine</p>	
15:45 - 16:15				
16:15 - 17:45				
Exhibition, Refreshment & Connection Break				
Workshops				
<p>Virtual Reality at Your Fingertips: Creating Your Own Immersive Experiences with 360-degree Video</p> <p>Presenters: Mariju Baluyot, MD - Riley Children's Hospital / Indiana University, United States Janice Shin-Kim, MD - Columbia, United States</p>	<p>Interprofessional Debrief on Racism, Equity, and Microaggressions (I-DREAM) Workshop</p> <p>Presenters: Simranjeet Sran, MD - Children's National Hospital, United States Heather Walsh, MSN RN PCNS-BC CHSE CPN - Children's National Hospital, United States Nina Brown, MS, RNC-OB - Children's National Hospital, United States Brandon Ho, MD - Children's National Hospital, United States Christina Lindgren, MD, Assistant Professor of Pediatrics and Emergency Medicine - Children's National Hospital, United States Rosalyn Manuel, MSN, BSN, CPN, RN - Children's National Hospital, United States Laura Nicholson, MSN, RN, CPN, CHSE - Children's National, United States Dewesh Agrawal, MD, Professor of Pediatrics and Emergency Medicine - Children's National Hospital, United States Simmy King, DNP, MS, MBA, RN-BC, NE-BC, CHSE - Children's National Hospital, United States Rajeev Zaveri, MD, MEd, FAAP - Children's National Hospital, United States</p>	<p>An Innovative Video Based Motivational Interviewing Simulation to Address Provider Success with Vaccine Hesitancy</p> <p>Presenters: Samreen Vora, MD - Children's Minnesota, United States Brande Brown, MD, M.Ed, FAAP - New York Presbyterian- Brooklyn Medical Center, United States Satoshi Kamidani, MD, FAAP - Emory University School of Medicine, United States Barbara Rath, MD, PhD, HDR, FAAP - Vienna Vaccine Safety Initiative, United States Sarah Shaffer DeRoos, MD, MA, FAAP - Children's National Hospital, United States Hannah Foehring, MPH - American Academy of Pediatrics, United States Sherri Smith, MPH - American Academy of Pediatrics, United States Terrell Carter, MHS - American Academy of Pediatrics, United States Janna Patterson, MD, MPH, FAAP - American Academy of Pediatrics, United States</p>	<p>How To Brief Simulation Actors To Optimize Your Training Goals - From An Actor's Perspective</p> <p>Presenter: Emma Mulken, Self-Employed Professional Actor, United Kingdom</p>	

Monday - June 13				
07:30 - 13:00	Registration			
7:00 - 8:00	Committee Meetings + Light Breakfast Served			
08:00-08:15	Morning Announcements			
08:15-09:45	Workshops			
	<p>3 Birds With 1 Stone: Multi-lens Simulation to Optimize Value Presenters: Michael-Alice Moga, MS MSc - The Hospital for Sick Children/University of Toronto, Canada Mary McBride, MD MEd - Lurie Children's/Feinberg School of Medicine, United States Catherine Allan, MD - Boston Children's Hospital, United States Lillian Su, MD - Stanford Children's Health, United States Anna Theresa Lobos, MD FRCP - Children's Hospital of Eastern Ontario/University of Ottawa, United States</p>	<p>Developing Psychosocial Simulations: Lessons Learned From the Field Presenters: Emilia Crnjak, MS, CCLS - Boston Children's Hospital, United States Michelle Kerns, MS, CCLS - Boston Children's Hospital, United States Brianna O'Connell, MS, CCLS - Boston Children's Hospital, United States Matthew Tvedte, MSW, LICSW - Boston Children's Hospital, United States Allison Henry, MSW, LICSW - Boston Children's Hospital, United States Mariah Stevens, MS, CCLS - Boston Children's Hospital, United States Pamela Chamorro, MSW, LICSW - Boston Children's Hospital, United States Abigail Ross, LICSW, MPH, PhD - Boston Children's Hospital, United States Matthew Taylor, RN, M.Ed - Boston Children's Hospital, United States Marlena Smith-Millman, MPH - Boston Children's Hospital Simulator Program, United States</p>	<p>Clinical Event Debriefing: Tips and Techniques for Novice and Advanced Debriefers Presenters: Theodora Stavroudis, MD - Cedars Sinai Medical Center and UCLA Geffen School of Medicine, United States Louis Halamek, MD - Stanford University, United States Marjorie Lee White, MD, MPPM, MA - University of Alabama, United States Traci Wolbrink, MD, MPH - Harvard Medical School, United States Michelle Olech-smith, DNP, RN, CHSE - American Academy of Pediatrics, United States Debra Weiner, MD, PhD - Harvard Medical School, United States Julie Riccio, MD - University of Rochester Medical School, United States Rita Dadiz, MD - University of Rochester, United States Noorjahan ali, MD, MS - UT Southwestern Medical School, United States Joseph Lopreiato, MD, MPH, CHSE-A, CAPT, MC, USN (ret) - Uniformed Services University of the Health Sciences, United States</p>	
9:45- 10:15	Exhibition, Refreshment & Connection Break			
10:15-11:15	Poster Presentations			
	<p>Team Training</p> <p>Optimal Team Size And Roles For The Most Effective Resuscitation Presenters: Nicole Neveln, MD - Baylor College of Medicine/Texas Children's Hospital, United States Nathan Sundgren, MD, PhD - Baylor College of Medicine/Texas Children's Hospital, United States Regine Fortunov, MD - Baylor College of Medicine/Texas Children's Hospital, United States Mona Khattab, MBCh - Baylor College of Medicine/Texas Children's Hospital, United States Joseph Hagan, ScD, MSPH - Baylor College of Medicine/Texas Children's Hospital, United States</p>	<p>Debriefing</p> <p>Incorporating Psychotherapeutic Principles Into Simulation Pre-Briefing Presenters: Katherine Drewek, BMBS, BMedSci, MRCPCH - Great Ormond Street Hospital, United Kingdom Gareth Drake, DClInPsy - Great Ormond Street Hospital GOSH Learning Academy, United States Katherine Drewek, BMBS, BMedSci, MRCPCH - Great Ormond Street Hospital GOSH Learning Academy, United Kingdom</p>	<p>Assessment and Feedback</p> <p>From N/ICU to Transport: Evaluating the Expert Through Simulation Assessment Presenters: Amy Kelly, BSN, RNC-NIC - Children's Hospital of Philadelphia, United States Marjorie Hamburger, RN, PHRN, CHSE, CPHQ - The Children's Hospital of Philadelphia, United States Alexandra Webb, MSN, CRNP, NNP-BC - Nemours Children's Health, United States David (DJ) Schnabel, MSN, RN, CCRN, CFRN - The Pennsylvania State University, United States</p>	
	<p>Quantifying The Impact Of Visual Distraction On Neonatal Ventilation Using Eye-Tracking In A Simulated Setting Presenters: Lisa Roessler - Medical University of Vienna, Austria Katharina Bibl, MD - Medical University of Vienna, Austria Isabel Gross, MD PhD MPH - Yale University School of Medicine, United States Bashar Kadhim, MD - Yale University School of Medicine, United States Travis Whitfill, MPH MPhil - Yale University School of Medicine, United States Marc Auerbach, MD, FAAP, MSc - Yale University School of Medicine, United States</p>	<p>Improving Knowledge, Skills, and Attitudes around Equity and Inclusion through Interprofessional Debriefs Presenters: Simranjeet Sran, MD - Children's National Hospital, United States Heather Walsh, MSN RN PCNS-BC CHSE CPN - Children's National Hospital, United States Nina Brown, MS, RNC-OB - Children's National Hospital, United States Brandon Ho, MD - Children's National Hospital, United States Christina Lindgren, MD, Assistant Professor of Pediatrics and Emergency Medicine - Children's National Hospital, United States Rosalyn Manuel, MSN, BSN, CPN, RN - Children's National Hospital, United States Laura Nicholson, MSN, RN, CPN, CHSE - Children's National, United States Dewesh Agrawal, MD, Professor of Pediatrics and Emergency Medicine - Children's National Hospital, United States Simmy King, DNP, MS, MBA, RN-BC, NE-BC, CHSE - Children's National Hospital, United States Pavan Zaveri, MD, Med. FAAP, CHSE-A - Children's National Hospital, United States</p>	<p>Impact of Emotional Intelligence on Code Team Leadership Presenters: Laura Wingert, MD - Nationwide Children's, United States Tensing Maa, MD - Nationwide Children's Hospital, United States</p>	
	<p>There is No "I" in Team...Unless It Is An IPE Simulation For Pediatric Interfacility Transport Presenters: Jennifer Pfister, ACPNP - Medical College of Wisconsin, United States Katie McDermott, MSN, RN, CPNP-AC - Medical College of Wisconsin, United States Prakadeshwari Rajapreyar, MBBS - Medical College of Wisconsin, United States Christine Schindler, PhD, CPNP - Medical College of Wisconsin, United States Tara Petersen, MD, MSED - Medical College of Wisconsin, United States</p>	<p>A Pilot Curriculum and Framework Teaching Trainees to Receive Feedback Presenters: Sasha Kapil, Indiana University School of Medicine Mariju Baluyot, Indiana University School of Medicine Alexander Croft, Indiana University School of Medicine Nicole Novotny, Indiana University School of Medicine Lauren Falvo, Indiana University School of Medicine Anna Bona, Indiana University School of Medicine Brittany Daulton, Indiana University School of Medicine Rami Ahmed, Indiana University School of Medicine</p>	<p>Development And Validation Of A Communication Assessment Scale For Parents Opposed To Vaccinations Presenters: Denis Oriot, MD, PhD - University of Poitiers, France Marine Choquet, MD - University Hospital of Poitiers, France Nicolas Marjanovic, MD, PhD - University Hospital of Poitiers, France Jérémy Guénézan, MD, PhD - University Hospital of Poitiers, France Daniel Alham Ghazali, MD, PhD, Director of Research - University and University Hospital of Amiens, France</p>	
	<p>The Effect of In Situ Simulation on Clinical Outcomes in Preterm Neonates Presenters: Hannah Gu, MD - Stanford University, United States</p>		<p>Validation Of A Performance Assessment Scale For Adverse Event Disclosure In Pediatric Simulation Presenters: Denis Oriot, MD, PhD - University of Poitiers, France Juliette Aubin, MD - University Hospital of Poitiers, France Nicolas Marjanovic, MD, PhD - University Hospital of Poitiers, France Jérémy Guénézan, MD, PhD - University Hospital of Poitiers, France Daniel Alham Ghazali, MD, PhD, Director of Research - University and University Hospital of Amiens, France</p>	
	<p>Reducing Childhood Mortality By Low Fidelity Simulation In Low Resources Settings Presenters: Corinne Ntwari, MD - Hospital Militaire Kamege, Burundi Dieudonne Birahinduka, Consultant Paediatrician - St Georges University Hospital, United Kingdom</p>		<p>Validation Of A Performance Scale For US-Guided Pleural Puncture For Pleurisy In Simulation Presenters: Denis Oriot, MD, PhD - University of Poitiers, France Aline Nabier, MD - University Hospital of Poitiers, France Nicolas Marjanovic, MD, PhD - University Hospital of Poitiers, France Jérémy Guénézan, MD, PhD - University Hospital of Poitiers, France Daniel Alham Ghazali, MD, PhD, Director of Research - University and University Hospital of Amiens, France</p>	
11:30 - 12:30	Keynote Session with Samreen Vora, MD			
12:30 - 13:00	Awards Ceremony & Closing Remarks
